HEAVY RAINS FALL
IN BISBEE SECTION

Traffic Is Delayed as a Result; Ball Player Arrested by Mistake.

Bisbee, Ariz., Sept. 5.—Heavy rains fell in Bisbee and other places in this county. No damage was reported here, but the railroad line between Hereford and Benson was considerably damaged, and trains delayed. Westbound passengers are detained in Bisbee until the gangs of laborers which were put to work will have finished putting the road in condition.

Great excitement was caused on Youngblood Hill when the shrieking of a woman, followed by the discharge of a gun, shortly after midnight, aroused the sleeping community. An investigation proved that the woman was in P. Carretto's house, had cried "fire" in a hysterical fit, and a neighbor, alarmed thereat, had fired the shot to summon the fire department.

A house belonging to J. A. Smith was burned to the ground. The loss amounts to \$1000. The fire was caused by a lamp explosion. Mrs. Smith and her children were alone and had barely time to escape.

Roy Gill, new outfielder for the Bisbee Millers, was arrested as he stepped on the train, being mistaken for an opium smuggler. A woman traveling on the same train was also placed under arrest. Both were promptly released, however, having proved that they were not the smugglers who were reported as traveling throughout Arizona and

No Indigestion or
Stomach Disorder

No Gas, Heartburn, Headache or Dyspepsia Five Minutes Later.

Why not get some now—this moment, and forever, rid yourself of Stomach trouble and indigestion? A dieted stomach gets the blues and grumbles. Give it a good rest, then take Pape's Diapiesin to start the digestive juices working. There will be no dyspepsia or belching of gas or eructations of undigested food; no feeling like a lump of lead in the stomach or heartburn, sick headache and dizziness; and your food will not ferment and poison your breathe with nauseous odors.

Pape's Diapiesin costs only 50 cents for a large case at any drug store here, and will relieve the most obstinate case of indigestion and upset stomach in five minutes.

There is nothing else better to take Gas from stomach and cleanse the stomach and intestines, and, besides, one single dose will digest and prepare for assimilation into the blood all your food the same as a sound, healthy stomach would do it.

When Diapiesin works, your stomach rests—gets itself in order, cleans up—and then you feel like eating when you come to the table, and what you eat will do you good.

Absolute relief from all Stomach Misery is waiting for you as soon as you decide to take a little Diapiesin. Tell your druggist that you want Pape's Diapiesin, because you want to become thoroughly cured this time.

Remember, if your stomach feels out of order and uncomfortable now, you can get relief in five minutes.
